

ARE YOU GOING TO ALLOW A PROBATE COURT TO DECIDE YOUR FAMILY'S FUTURE?

On average, Probate court can delay estate distribution 9-18 months and drain 5%-10% of its value. Protect your family and avoid Probate court with a Revocable Living Trust.

Protections include:

- You decide your family's future ... not a Probate court
- Prepare for incapacity, plan for legacy
- Avoid court costs, help minimize taxes & legal fees.
- Maintain your privacy
- Identify a trusted guardian for minor children
- Remove stress, burden and conflict among loved ones
- Help ensure immediate availability of resources for your family

Help protect your family's future
